Re: 2013 Annual General Meeting

The 2013 Annual General Meeting of Southern Village Homeowners Association will be held at Christ Church Ascension Hall @ 7:00 pm on Tuesday, February 19, 2013. Registration of owners will begin at 6:45 pm. The meeting will start promptly @ 7:00 pm.

The most important purpose of the meeting is to elect <u>two</u> directors to the Association's Board of Directors. A proposed agenda and candidate information is included in this mailing package.

Enclosed is a proxy for your convenience if you will be unable to attend the meeting. The governing documents for the Association call for 1/10th of the membership to be present in person or by proxy to have a quorum. It is essential to have a quorum, so please return your signed proxy if you will not be able to attend the meeting.

Minutes of the Annual General Meeting held February 28, 2012 At Christ Church Ascension Hall

Present for the Board: Jeremy Purbrick (President), Mary-Jo Coppola, Elizabeth Preddy

Lewis Tisher (Treasurer), Rainer Dammers (Secretary)

Guest: JB Culpepper, Chapel Hill Planning Director

With a quorum established, the meeting was called to order at 7:03 PM. 106 members were present in person and by proxy.

As chair of the meeting Mr. Purbrick welcomed the members in attendance and introduced the current board members.

The minutes of the annual general meeting on 2/22/2011 were approved as submitted.

1. Election of Directors

Mr. Purbrick explained that he was retiring and that a new director was to be elected for a three-year term. The declared candidates prior to the meeting were Susan Duke, Bobby Mallik, and Paul Rowe. Mr. Purbrick asked if there were any further nominations from the floor. None were made. The candidates each made a presentation and answered questions from the floor. The questions focused on matters or pet waste, enforcement of covenants, and communication to the community. Bobby Mallik was elected with 43 votes to serve a three-year terms.

While the ballots where counted Mrs. Culpepper presented the Chapel Hill 2020 process which will establish a new Comprehensive Plan, called for participation, fielded questions and provided flyers and other information material. http://www.townofchapelhill.org/index.aspx?page=1656
Other guests presented their participation in the process representing Citizens for Responsible Growth http://www.responsiblegrowthnc.org/ and second Mrs. Culpeppers encouragement for residents to get actively involved in the process.

Mr. Tisher and the Board then acknowledged the the retiring director Mr. Purbrick who served on the board of directors for six years in varying officer positions, the last three years as the President.

2. Treasurer's Report

Mr. Tisher reported that the association ended 2011 on budget and gave an overview of the 2012 budget and fielded some questions from the audience.

Questions from the audience instigated a discussion on the representation of the Condo associations in the Master Association and the history leading to the situation. The developers had set up the associations in a way that there were 17 independent associations the SVHOA representing the majority of home owners in single family homes and Townhomes.

Investigation to change the structure several years back brought to light the fact that it would cost approximately \$250,000 in legal fees and would require a majority vote on all associations to change the structure.

3. Reports

Mary Jo presented that the Social Media committee had established the site
 http://www.neighborship.com/nh/register.php to foster active collaboration among residents in the neighborhood as well with other neighborhoods across town.

- Susan Duke reported on establishment of the Welcome Committee, their first meeting which had very good participation, and showed an example of the welcoming bag for new residents
- Rainer Dammers presented on 2011 activities of the Going Green committee, from the composting clinic in Spring, to the screening of Carbon Nation in the Fall, as well as the positive trend in the neighborhood of reduced landfill waste year-to-year and increasing number of Solar (PV and Thermal) installation. The town of Chapel Hill is currently actively looking for participation in the 2nd phase of the WISE (Worthwhile Investments Save Energy) program which subsidized up to 40% of installation cost for energy efficiency measures: http://www.townofchapelhill.org/index.aspx?page=1666

4. Other Business

Three being no further business the meeting was adjourned at 8:41 PM.

I moved into Southern Village seven years ago with my wife, attracted by the walkability of the neighborhood with a mix of people in all stages of life, which we are familiar with growing up in Europe. Shortly after our daughter was born we bought a house right here in the neighborhood, she attends Scroggs Elementary school now. My desire to continue another term on the HOA Board of Directors is to continue give back to the wonderful community we live in. Southern Village is unique and has much to offer. The design and atmosphere of Southern Village and it's resemblance of European Villages was one key factor in the decision to stay and settle in Southern Village in 2006. Since that decision I've gotten more actively involved in the local community. I co-chaired the HOA 'Parking Lot (or not)' Committee, served on the HOA Board of Directors, and currently chair the Town of Chapel Hill Bicycle and Pedestrian Advisory Board and the Southern Village HOA 'Going Green in SV' Committee. I am very interested in keeping Market Street and Southern Village's atmosphere vibrant; contribute to improving quality of live in the community, maintaining property values, and to foster better communication between all Southern Village residents. My long experiences in people management and problem solving roles in international roles coupled with strength in fact finding will benefit the HOA board and the community of Southern Village I will diligently serve if re-elected. Thank you for giving me the opportunity.

Sue and I were drawn to Southern Village because of our experience in two other planned communities: Reston, Virginia, 1970-1978, and Coral Gables, Florida, 1978-1981. We knew that walkability, high density, and mixed land use promote social interaction, an important factor for retirees.

We came to Chapel Hill from Topeka, Kansas, on our wedding trip in 1956 and stayed while I earned my M.A. in political science. I became the Miami Herald's education writer, then a Washington correspondent. We returned in 1981 when I joined the faculty of the journalism school as a Kenan professor. We moved to our townhome on Westgreen Drive in 2007, a year before my retirement.

The newspaper part of my career has been chronicled in my memoir, "Paper Route: Finding My Way to Precision Journalism." I stay involved as a member of the Board of Contributors for the opinion pages of USA TODAY and the Advisory Board of Patch Media, a chain of local, webbased news services. My full history is at http://pmeyer.web.unc.edu/resume/

I operate Edward Jones Investments at 100 Westgreen Drive in Southern Village. I have been a member of the community since 2003.

I am a native of Chapel Hill, attending Sewell Elementary, Phillips Middle School, and Chapel Hill High School. I graduated from Hampden- Sydney College in Virginia with a BA in Economics, and Kenan- Flagler (UNC) for my MBA (expected 2013). In addition to my multiple leadership roles at Edward Jones, I am active in the Chapel Hill Chamber, and serve on the fundraising committee for IFC. I am married to my wife, Elizabeth, and have a 2 year old daughter named Catherine, and a 4 year old son named Jackson.
