Dear Southern Village Resident:

We would like to remind you that Asphalt Enterprises will be resealing the alleys in Southern Village. Enclosed is a schedule. You may also refer to the color coded map we sent earlier. Please note that July 14th and 15th are the rain dates.

In order for this project to go smoothly, it is crucial the following guidelines are followed:

- 1. Remove cars from rear alleys by 7:30am the day your alley will be treated. The section will be blocked off overnight, so homeowners will need to park in front of their homes for one night.**
- 2. Do not wash cars or water grass the day before sealing. Please turn off your sprinkler system until your alley has been treated.**
- 3. If you have renters, please inform them about this project.**

Thank you for your help. If you have questions, please e-mail Michelle Johnson at officemanager@berkeleychapelhill.com or call 919-960-2836.

Sincerely,

Southern Village Homeowners Association
manager@southernvillage.org
