Re: Upcoming Alleyway Repairs

Dear Southern Village Homeowner:

The SVHOA Board of Directors has approved making alley repairs. Asphalt Enterprises will begin on Monday, August 12th (weather permitting). They anticipate the repairs taking about 4 days. They will provide cones and traffic control. Asphalt repairs will dry immediately and cracks will be dry by the time the crew leaves.

If you have any questions please contact the office at 919-448-5150 (call or text) or send an e-mail to: officemanager@berkeleychapelhill.com.
