DRAGONFLY MAINTENANCE REPORT

Project Details	
Property	SOUTHERN VILLAGE
Service Date	07/26/2021
Crew Member(s)	GW
Client Name	Adam Jones
Client Email Address	adam@millhouseproperties.com
Client Email Address 2	patsy@millhouseproperties.com
Client Email Address 3	
Client Email Address 4	
Number of Ponds & Pond Type	4 Wet Ponds
Mowing Schedule	2 Mowings Per Year
Mowing Service	
Mowing occurs inside of the fence.	
Special Instructions	
Lock combination for Wet Pond #4 is 5150	
Pond Locations	https://imageshack.com...

Code Types
  SC= Service Completed - Means a service or review has been completed and is in good working order.
  M= Monitoring (for any potential future problems) - Means that we may continue to review and note on regular reports. This does NOT mean there is an issue or any additional work is needed at this time.
  WN= Work Needed - Means there is work needed outside the normal scope of maintenance
  N/A= Not Applicable - Means nothing is found to be noted, there are no issues.
  NN= Not Needed - Means this has been investigated and found that no work is currently needed.
